**COMMENT ON STATEMENT OF REASONS FOR ALLOWANCE**  
**( DRAWING REQUIREMENT )**

Dear Sir:

The Notice of Allowability contains an ambiguous smudge in paragraph 5 regarding drawings. However, neither paragraph "a" nor paragraph "b" are checked. In a conversation with the undersigned on April 28, 2006, the Examiner clarified that corrected drawings are not required (i.e. it is PTO error). So, no replacement drawings are submitted.

The undersigned has checked the Image File Wrapper (IFW) and confirmed that the IFW contains seven sheets of Drawings, which are in an IFW entry dated "10-04-2001". Of these seven sheets, the last two sheets, namely FIGs. 5A and 5B were replaced, in an attachment to the Notice of Allowability. See the IFW entry dated "01-30-2006". Hence all drawings that are needed for printing of the patent are currently available in the IFW.

If there are any questions, please call me at (408) 982-8203.
